DS93X Ægir™
Suitable for small to medium sized knives and similar applications. Ægir™ was a frost giant who owned a large ale kettle and were often hosting parties for the Gods.

DS93X Bifrost™
An allround pattern suitable for any application. Named after the rainbow bridge in Norse mythology separating the Gods in Asgard from men in Midgard.

DS93X Thor™
An allround and very lively pattern. A perfect choice for a larger folder or a chef knife. Our 20th anniversary pattern. Named after the God Thor, the Norse god of thunder, the sky.

DS93X Odin Heim™
An allround pattern suitable for any application. Takes a deep grind very good and has a lot of movements in the pattern. Named after our forge.

DS93X Heimskringla™
Suitable for any sizes but benefits from a large bevel. The deep grind brings out the magic in pattern. A given favourite. The Icelandic name for Empire.

DS93X Rose™
Suitable for small to medium sized pieces. Gives a neat effect when grinding a bevel. One of our bestsellers. The pattern looks like plenty of tiny roses with dew drops.

DS93X Super Dense Twist™
Suitable for small to medium sized knives and similar applications. An even tighter version of the traditional Dense Twist™ family. Will look particularly good on a large blade.

DS93X Sparse Twist™
Suitable for medium to large sized knives and similar applications. A traditional pattern from the Dense Twist™ family. Will look particularly good on a large blade.

DS93X Hymer™
Suitable for small to medium sized knives and applications. Named after the giant who often went fishing with the God Thor. If you have a closer look you can see small fishes in the pattern.

DS93X Draupner™
Suitable for medium sized and larger pieces. A special favorite for large blades typical a chef knife. Named after a gold ring possessed by the God Odin.

DS93X Gyänge™
Suitable for small to medium sized pieces. The pattern is surface intense and the effect will be strongest with a small bevel. Named after the Swedish village Gyänge.

DS93X Hugin™
Suitable for smaller pieces. A classical style symmetrical pattern looks good on a small folder. Named after one of the God Odin’s two ravens.

DS93X Odins Eye™
Suitable for medium and larger sized pieces. Tradition makes this pattern stand out. Looks good on a chef knife. Named after the God Odin who placed one of his eyes in the well of wisdom.

DS93X Munin™
Suitable for smaller sized pieces. The textile look stands out in the crowd. Named after one of the God Odin’s two ravens that fly all over the world to bring information to the God.

DS93X Sparse Twist™
Suitable for medium to large sized knives and similar applications. A traditional pattern from the Dense Twist™ family. Will look particularly good on a large blade.

DS93X Super Dense Twist™
Suitable for small to medium sized knives and similar applications. An even tighter version of the traditional Dense Twist™ family. Will develop very nice star patterns on the back of the blade and bevel.

DS93X Björkmans Twist™
An allround, very special pattern suitable for any application. Natural grain look. Not one piece is identical the other. Named after a Swedish bladesmith who wanted a more intense Dense Twist™.

DS93X Ladder™
An allround pattern that looks good in most conditions and especially on medium sized pieces. A classic choice for an artisan knife. Named after the traditional pattern Muhammad’s ladder.

DS93X Vinland™
Beautiful on kitchen knives, medium sized knives and jewelries. A random pattern and a popular favorite by many. The first Viking to set foot in North America called the land Vinland.

DS93X Grosserosen™
A traditional pattern that looks really nice on medium sized and larger pieces. The beautiful pattern makes you think of large lush roses.

DS93X Hakkapella™
Suitable for small to medium sized pieces. A symmetrical pattern which gives many possibilities. Will look particularly good on a dagger. Named after famous Finnish tracks.
